

DearMemory

Every family has stories worth remembering.

DearMemory is a simple, private place for families and friends to preserve memories, photographs and stories together.

Add memories

Capture and cherish special moments.

Add photographs

Save and organise photos for everlasting memories.

Remember important people

Celebrate the people who matter most.

Keep private notes

Write private notes for future generations.

Add music memories

Save favourite songs and the stories behind them.

Explore the Memory Map

Map places that hold precious memories.

Designed for families and friends, especially those affected by **dementia**.

Free to get started

Visit **dearmemory.co.uk**

Show, print or share DearMemory with families, community groups and memory cafés.
